

Annuity Fund

30 May 2025

This document is provided for informational purposes only and should not be construed in any way as giving investment advice. Past performance is not necessarily a guide to future performance, as the value of the units may go up or down and any return is not guaranteed.

Investment objective

This fund is suitable for those approaching retirement and looking to buy an annuity (a regular income, usually for life). It aims to protect against the effect of falls in the level of annuity rates.
